Award Winning Technology

“Everytime we run another job on our Xerox 700 Digital Press I want to thank you for making our lives a lot easier and productive. The confidence we have in our Xerox 700 Digital Color Press is a big help in assuring our clients that the job will be done and done right.” Chris, NJ

“First of all, it’s fabulous...the color reproduction is superb...I have done catalogs that will knock your socks off...and it does consistent color. Its registration within 1 millimeter is critical...its duty cycle is fabulous...we are able to do things more economically...I could sell this machine to anybody” Dennis, FL
